THE BILLBOARD TO BE MOVED

C. R. FRAZIER HAS FOUND ANOTHER LOCATION FOR IT—57 LOCALITIES IF NECESSARY.

Charles R. Frazier has decided to take down the bill board at the corner of King and Kapiolani street. He thus states his position in the matter:

"I have decided, owing to a recently developed Government claim to the lot at the corner of King and Kapiolani streets, to remove the bill board erected thereon by me. In taking this step I am actuated by a desire to save the lessor from possible embarrassment which might be engendered by the continuance of the hoarding in its present position. Also I have succeeded in obtaining a more desirable location for the same board elsewhere.

"Acting Governor Atkinson has assured me that 'personally he has no feeling against bill boards generally, and that his action in this case has been dictated solely by the proximity of this particular hoarding to a public park. He stated to me that he recognizes the utility of the bill board and that as the Territory develops and progresses commercially, the ubiquitous but necessary mural banners of trade must also perforce increase."

TENNIS ON MAUI.

WAILUKU, August 2.—Tennis seems to be the rage on Maui at the present time. With the lack of interest in baseball circles, many people have erected tennis courts, and there are many of both sexes indulging in this pastime. There is very much interest taken in the coming tennis tournament at Puunene on August 12th, and some lively games are expected among those competing for the pennant.

KAHULUI TO BE OPENED UP

HAWAIIAN COMMERCIAL PLANTATION TO SELL LOTS FOR HOMES AT THE MAUI SEAPORT.

WAILUKU, August 2.—It is currently rumored that Kahului will shortly be opened up for settlers, and that lots will be surveyed and sold to business men as well as for residence lots. There is no doubt but that the Kahului Railroad Co. employees are anxious to see the seaport town opened up, and it is believed if this is done Kahului will grow much larger than it is at present. All the land at Kahului is at present owned by the H. C. & S. Co. and most of the Chinese and Japanese living at Kahului have leases which will expire in the course of one or two years. Land is being cleared near the Kahului school house, and it is commonly reported that a hotel will be built on the site.

SAILORS ON HORSEBACK

If there is a saddle horse for hire in Honolulu this afternoon which has not a sore-back, it must be due to the fact that some of the sailors going home by the transports Solace and Lawton failed to corral the fortunate beast. Honolulu's streets today were alive with Jackies on the hurricane decks of more or less fiery, untamed steeds. They galloped up and down the thoroughfares at a breakneck speed which threatened to overwhelm but never did. Comparatively few were good riders, but the traditional "Sweet little cherub who sits up aloft" took care of the life of Jack, according to his detail.

The sailors were all in good humor and save for a natural ebullience of animal spirits were on their best behavior.

ARMY AND NAVY

By special request from the officers and ladies on the transports Solace and Lawton, the Royal Hawaiian hotel will give a hop tonight to which all guests of the other hotels as well as the town folk at large are cordially invited to attend. Tomorrow night, Friday, a farewell dance will be given to Brigadier General Lebo and the officers and ladies on the Solace. As a tribute to the many Army and Navy people on board the transports Captain Berger has kindly consented to let the Royal Hawaiian band play during the intermissions of the dances on Friday night. Special dinners will be served at the old "Army and Navy hotel" on both evenings.

MAUI SUPERVISORS APPROVE BILLS

DISCOUNT MAUI'S SHARE OF THE JULY TAXES WITH THE FIRST NATIONAL BANK OF WAILUKU.

WAILUKU, August 2.—The Board of Supervisors for the County of Maui convened yesterday morning at 11 a. m. to comply with the law requiring supervisors to meet on the first Tuesday of each month. In the afternoon all the bills against the County were examined by the Board and passed upon, the most of them being acted upon favorably. The first Treasury warrant for Maui's pro rata was received on last Saturday by Treasurer Baldwin, amounting to \$4,650.00. This warrant was discounted at the First National Bank of Wailuku for 1 per cent of the face value. It is estimated that Maui County will be able to run along on a cash basis until the end of the present year, at which time there will be a big balance on hand, after the pro rata of the November taxes come in. It will then be up to the Board of Supervisors of Maui County to make good appropriations for improvements, etc.

The question of reinstating Lieutenant of Police William Keane is being taken up again by the Board of Supervisors. The Republican District Committee have strongly urged that Mr. Keane be retained, but at the last meeting Keane was discharged, the vote being three to two. It is stated that the board is willing to reconsider Keane for the position on the police force, and it is likely that he will be asked to accept the old place. After the bills are passed upon favorably by the Board, the clerk will make his memoranda and forward them to the auditor, who in turn will issue drafts on the treasurer of the county in payment of the bill. It is likely that arrangements may be made with the bank to cash these county warrants, and at the end of every two or three days present them to the treasurer, who will give his check on the bank in lieu thereof.

TROUBLE LOADING HAY.

When the Lawton was at Manila she had to load a quantity of hay aboard to take to Guam. Admiral Reiter ordered the hay loaded. It was thought that the vessel was too light to carry that load on deck and her decks were not strong enough to bear the load. The hay was however, sent to the vessel at night and the men on the Lawton kicked about loading at that time. Quarters were sound and as some of the men were surly, they were put into irons while several watches turned to and loaded the hay.

ATTORNEY GENERAL'S NEW ASSISTANT

WORKING UP CRIMINAL CASES FOR THE COUNTY ATTORNEY TO PROSECUTE.

Harry T. Lake, formerly captain of police on Hawaii, has taken a position with the attorney general's department and is engaged with Deputy Attorney General Peters, in preparing criminal cases for the coming term of the first circuit court. County Attorney Douthitt is to prosecute, but the evidence is being prepared by Peters and Lake in a large number of cases which have been in the attorney general's department for some time. Some of them are old cases, with which the Territorial Department is familiar.

"While County Attorney Douthitt has taken up the work of prosecuting," said Peters, "it is the duty of this department to give him all the assistance possible, especially while he is so busy and lacks an assistant. Mr. Lake and myself are therefore going into these numerous cases and preparing abstracts of the evidence."

JUSTICE WILDER ISSUES A WRIT

SUPERVISOR KANEALII'S CASE NOT TO BE HEARD UNTIL NEXT OCTOBER.

Acting Chief Justice Wilder yesterday issued a writ of prohibition, directed to Judge Hardy of Kauai, ordering him to take no further action in the matter of the election contest of Supervisor Kanealii, and postponing the matter until October. Kanealii's seat as a member of the Kaula board of supervisors was being contested by quo warranto proceedings. The writ of prohibition was secured by Judge Edings, his counsel, on the ground that county contests can only be made in the way provided in the county act, which is in the Supreme court. The matter of the writ will be taken up in the Supreme Court when it meets in October.

The case had been set for tomorrow in the Kaula court, and Chief Clerk Buckland of the Secretary's office was preparing to go as a witness. Acting Governor Atkinson was notified by wireless that Judge Hardy had received the Supreme Court writ and postponed the matter to October 2.
